

RESEARCH PARTICIPANTS NEEDED

MENTAL HEALTH PROVIDERS

What this study is about:

We are a group of mental health researchers trying to find out more about providers' current methods and ongoing needs for integrating cultural humility in their practice. We want to hear about your experiences in your current practice!

Why participate:

All participants will be compensated \$30 for completing a survey and focus group. We will use the information collected to help guide our efforts to promote culturally-relevant mental health care for diverse groups.
